# COUNT EDGES, CORNERS AND FACES

Understanding the mathematical terminology and concepts in 3D shapes.

1) How many vertices does this figure have?
| | 0 | | 1 | | 2 |

2) How many edges does this figure have?
| | 7 | | 4 | | 9 |

3) How many faces does this figure have?

| | 8 | | 6 | | 10 |

4) How many edges does this figure have?

| | 1 | | 3 | | 4 |
