

NAME _____

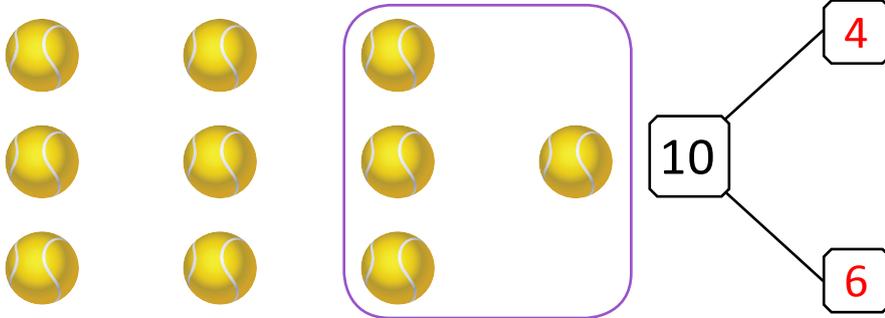

DATE _____

WAYS TO MAKE 10!

Complete the number bond and number sentence.

Example:

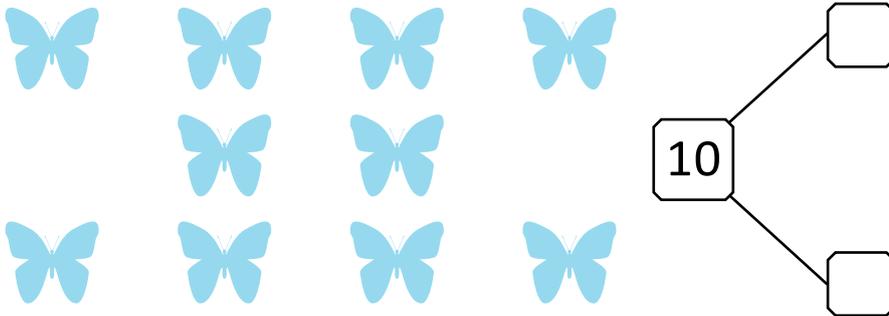

Circle 4. How many more does 4 need to make 10?

$$4 + 6 = 10$$

$$6 + 4 = 10$$

1) Circle 2. How many more does 2 need to make 10?

$$\square + 8 = 10$$

$$\square + 2 = 10$$

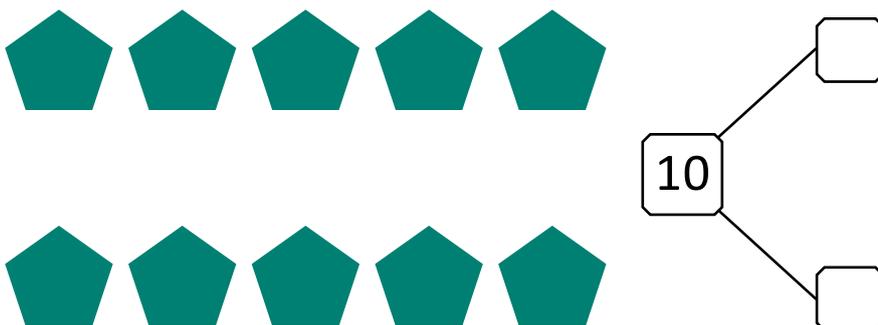

2) Circle 3. How many more does 3 need to make 10?

$$3 + \square = 10$$

$$\square + 3 = \square$$

3) Circle 5. How many more does 5 need to make 10?

$$5 + \square = 10$$

$$5 + \square = 10$$
