

NAME _____ DATE _____

CHOOSE BETWEEN ADJECTIVES AND ADVERBS

Adjectives are words which describe nouns / pronouns. They usually come before the nouns they modify. Mostly they answer the question: What Kind? How many? Which one? Adverbs add something to the meaning of verbs, adjectives or other adverbs. They describe how/ when/ where the action happens.

Read the following sentences and note the underlined words. Write whether they are adjectives or adverbs on the blanks provided.

Examples:

a) Imran is a fast bowler. Adjectives

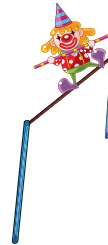

b) Kapil also can bowl fast. Adverb

1) The funny clown walked backward on a rope. _____

2) The funny clown walked on a rope. _____

3) The big house is painted pink outside. _____
