ADJECTIVES (USE ADJECTIVES)

An adjective describes / modifies a noun or pronoun. Usually it comes before a noun it qualifies or points out. Adjectives are used to make sentences more interesting, vivid and colorful. They add something to the meaning of nouns / pronouns. Speaking, reading and writing of English will remain dull without adjectives. Usually they are answers to questions like: What kind? How many? Which one? etc..... **Examples:** Clever fox, Some rice, Blue book.

Circle the adjectives from the words given in the help box and try to use them and to fill in the blanks of the following.
