## MAKE A TEN TO ADD WITH IN 20

Solve the facts by recording make ten solutions with number bonds. Then draw a line connecting each one with the number sentence showing how you added the remaining ones to ten.
Example:

Do the following as given in the example by line connecting each one with the number sentence.
1)

2)

( $10+3$
3)

4)

( $10+6$
