

NAME _____

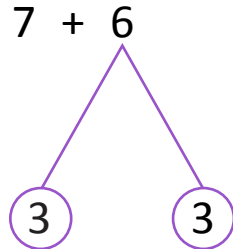

DATE _____

MAKE A TEN TO ADD WITH IN 20

Solve the problem by using number bond and draw a picture counting.

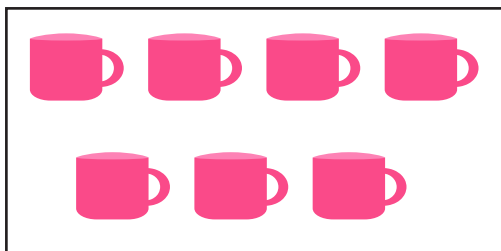

1) Draw to explain how to add 7 and 6 by making 10.

By using number bonds:

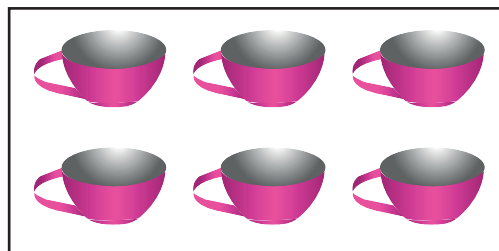

$$= 10 + \underline{\quad} = \underline{\quad}$$

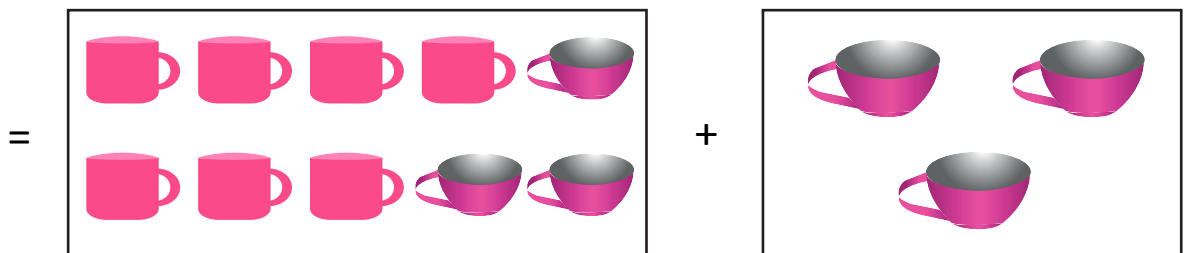

By drawing pictures:

+

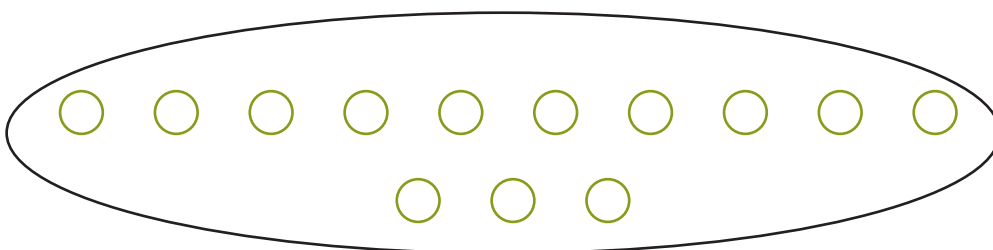

=

= Cups

10 + 3

7 + 6
