MATCH THE NUMBERS

Trace along the path to match numbers and objects.

The activity consists of a large circle divided into five sections. Each section contains a different object. Outside the circle are five numbers, each with a colored tracing path that leads to a specific section of the circle. The numbers and their corresponding sections are: 1 (pink) points to the elephant; 2 (blue) points to the cakes; 3 (purple) points to the hats; 4 (green) points to the ants; 5 (orange) points to the bees.
