## PAST TENSE OF IRREGULAR VERBS

(USE THE IRREGULAR PAST VERBS AND MATCH)

Some verbs form their past tense in irregular way. They can't form their past tense in a simple / regular way. They don't follow the conventional rule of adding – ed at the end to form past tense. They adapt sneaky or tricky ways for the formation of past and as a result these verbs. Completely change and look different in their past forms. Hence they are called irregular verbs. Some irregular verbs also follow some pattern.

Match the 'A' group with related counter parts of the 'B' group and underline the irregular verbs in A group. The first one is done for you.
