

NAME _____ DATE _____

SPELLING (HOMOPHONES)

Homophones are the words with same sound but differ in their meaning and spelling. They cause sheer confusion in spelling. The only way to find the correct spelling is to recall its meaning with reference to the context and use our experience with the use of the word.

Tick (✓) the correct spelling and write the same in the blank provided to make a meaningful sentence.

Example:

We have played chess an hour ago. (hour / our) ✓

1) Grandpa has a funny _____ to tell use. (tail / tale)

2) Dad would like to _____ a new bicycle for me. (buy / by)

3) The children _____ in their note books. (right / write)

4) We enjoyed a lot on the _____ shore. (sea / see)
