

NAME _____

DATE _____

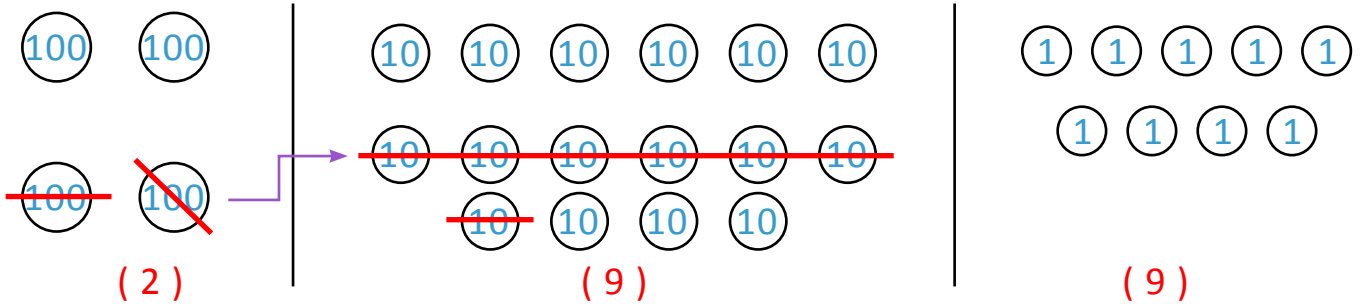

ADDITION OR SUBTRACTION

Solve by drawing chips on the place value chart then use addition to check your work.

Example:

$469 - 170 = \underline{299}$

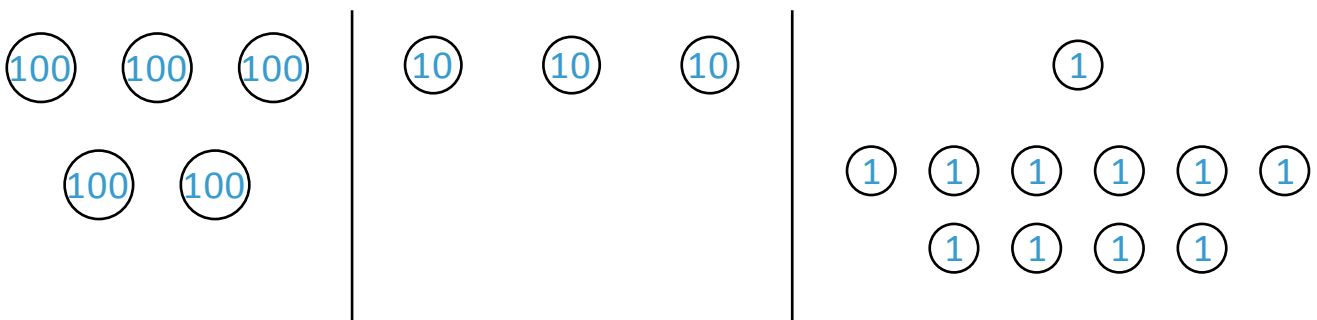

(10 ones = 1 ten) (10 tens = 1 hundred)

Using addition to check the work.

Numbers	H	T	O
299	• •	••••••••	••••••••••
170	•	•••••••	
299 + 170	4	6	9

1) $531 - 224 = \underline{\quad}$

Using addition to check the work.

Numbers	H	T	O
307			
224			
307 + 224
