

NAME _____

DATE _____

ADDITION OR SUBTRACTION

Solve by drawing chips on the place value chart then use addition to check your work.

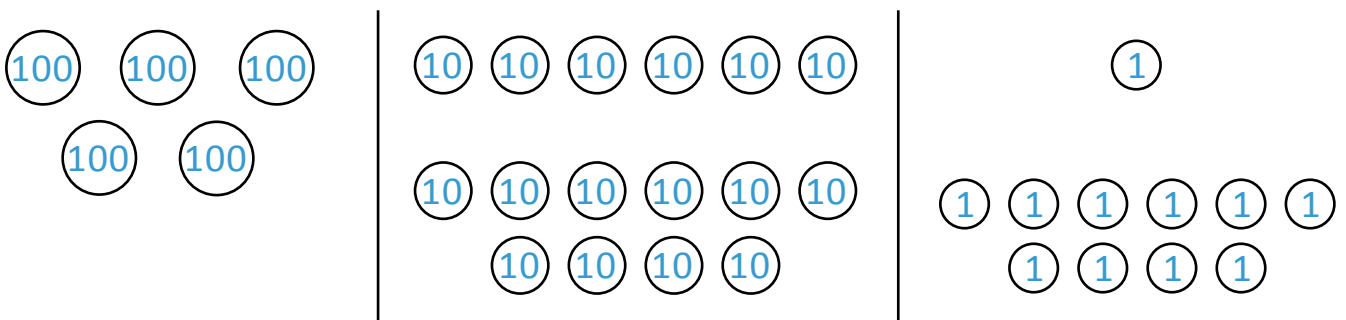

1) $927 - 628 = \underline{\quad}$

Using addition to check the work.

Numbers	H	T	O
299			
628			
$299 + 628$			

2) $561 - 387 = \underline{\quad}$

Using addition to check the work.

Numbers	H	T	O
174			
387			
$174 + 387$			

(This statement is true because every addition sentence has two subtraction sentences)
