1) Expand 217. How many hundreds, tens and ones it has?

$$217 = \underline{\quad} + \underline{\quad} + \underline{\quad}$$

 Ones

 Ten

 Hundreds

2) Expand 159. How many hundreds, tens and ones it has?

$$159 = \underline{\quad} + \underline{\quad} + \underline{\quad}$$

 Ones

 Tens

 Hundred

3) Expand 258. How many hundreds, tens and ones it has?

$$258 = \underline{\quad} + \underline{\quad} + \underline{\quad}$$

 Ones

 Tens

 Hundreds

4) Expand 736. How many hundreds, tens and ones it has?

$$736 = \underline{\quad} + \underline{\quad} + \underline{\quad}$$

 Ones

 Tens

 Hundreds

5) Expand 857. How many hundreds, tens and ones it has?

$$857 = \underline{\quad} + \underline{\quad} + \underline{\quad}$$

 Ones

 Tens

 Hundreds
