EXPANSION OF NUMBERS

Expand the numbers according to their place values.

1) Expand 527. How many hundreds, tens and ones it has?

$$527 = \underline{\quad} + \underline{\quad} + \underline{\quad}$$

Hundreds	Tens	ones

2) Expand 630. How many hundreds, tens and ones it has?

$$630 = \underline{\quad} + \underline{\quad} + \underline{\quad}$$

Hundreds	Tens	ones

3) Expand 333. How many hundreds, tens and ones it has?

$$333 = \underline{\quad} + \underline{\quad} + \underline{\quad}$$

Hundreds	Tens	ones

4) Expand 717. How many hundreds, tens and ones it has?

$$717 = \underline{\quad} + \underline{\quad} + \underline{\quad}$$

Hundreds	Tens	ones

5) Expand 109. How many hundreds, tens and ones it has?

$$109 = \underline{\quad} + \underline{\quad} + \underline{\quad}$$

Hundreds	Tens	ones
